Please note that when the Year 1—6 children return on Wednesday 30<sup>th</sup> January, they will be with their 2012 teacher for a short while and moved to their new classes during the morning.

Naturally things can change for families during the holidays and we won't know this until the first day back. We are only a few children away from forming a new class so these first 3 days are extremely important for getting accurate numbers and restructuring classes if necessary.

Both the staff and I have thoroughly enjoyed working with your children throughout 2012. It is a great privilege to watch the children as they learn and grow into fine citizens who are proud of their school. Thank you boys and girls!

I would also like to thank and acknowledge the staff, for not only their dedication, but the quiet way in which they go about providing support for all and who are unashamedly proud of their students and their school.

For our families who are moving on we thank you for being part of our school and the great support so many of you give freely. Your new schools will be lucky to have you as part of their school community. Finally to all our remaining families many thanks for your ongoing support and willingness to work with staff to provide the best outcome for your child/ren. In addition, the P&C, with your help, has provided outstanding support to the school. We look forward to working with you all in 2013.

*Season's Greetings to you all and best wishes for a happy and successful new year and I hope that you all have and enjoy opportunities to spend time with family and friends.*

Have a great week
