Issue 1—Term 4— Week 9

4 December 2012

Today we recognised a wide range of development and excellence in academic, sporting and cultural areas as well as personal growth and maturity. All our students and families should be very proud of the awards their child has received which are a recognition of individual learning and maturity. While we recognise these students, there are many other students who have worked hard and shown improvement. Actually if your child has done their best, then they can be proud of their achievement, whether they received a certificate today or not.

Walk and Roll-a-thon – Friday 7 December 12:00pm – 2:30pm – Queanbeyan Park

No Bicycles

All students will need a helmet if they are using a scooter, roller skates, roller blades or a skateboard. Knee pads and elbow pads will also reduce any scrapes if there are falls and are highly recommended.

Students without a helmet will walk; every child should bring a bottle of water.

Students should also bring their lunch, recess and drinks in a disposable bag, as no school bags will be taken to the Park.

All students will be attending whether they've collected sponsors or not. We will travel to Queanbeyan Park at 11.30am, by bus. Once at the Park students assemble in a designated area. On the siren all participants begin to walk or roll for approximately 1 hour. After each circuit the students will get a mark on their hand.

We require a parent from each class to transport student's gear down to the Park. If you're available on Friday and can carry a class set of equipment then could you please contact your child's teacher to see how you can assist?

Students will have their Recess and are able to have a class celebration at the conclusion of this fantastic event. We will leave the Park around 2:30pm.
