Issue 1—Term 3— Week 6

19 August 2014

What a lovely morning at our opening to Book Week 2014, last Friday. Everyone looked fantastic! Thank you Mr Lumley and Student Leaders for a very well-run Assembly.

### **Peer Support**

Last week our Peer Support session was postponed, here is a repeat of the lesson the students covered today. This week in Peer Support the children have learnt about positive self-talk. It is important that what we say and think to ourselves is optimistic so that we are able to deal with situations that may be challenging. The children have practised speaking positively to themselves when good things happen as well as when situations are not going well. Encourage your child to practise this at home so they are more likely to develop an optimistic attitude and approach to life.

### **Child Protection**

This is the term Queanbeyan West Public School covers the mandatory Child Protection Unit for each grade. It is mandatory that these units are taught. The lessons cover age appropriate items including things like “The Famous Five” in Kindergarten – that is 5

people they know they could talk to if they need to, through to sensible choices in Year 6. Stranger Danger is also dealt with but only at the level each age can handle.

Have a great week  
Vicki Muscat  
Principal
